What are Participants Saying?

Positive
“An amazing learning opportunity. A great chance to hear different voices.”
Thank you so much for providing child care. This is often the biggest barrier to participation for parents, especially parents of children with special needs.”

Constructive
“It was an excellent day. I would have liked to hear/see more involvement from children and young people- perhaps a keynote? More presence of people/children with disabilities”

“Please have info on supports for other needs. seems was only based on CP+ASD”
How did we do?
